Package for revival of SSIs

2221. PROF. M.M. AGARWAL: Will the Minister of SMALL SCALE INDUSTRIES be pleased to state:

(a) whether any special economic package has been provided to various States of the country particularly the State of Uttar Pradesh during the last three years and till date to revive the Small Scale Industries; and

(b) if so, the details thereof and if not the reasons therefor?

THE MINISTER OF SMALL SCALE INDUSTRIES (SHRI MAHAVIR PRASAD): (a) and (b) The Central Gvoernment does not provide any financial assistance for rehabilitation of sick Small Scale Industries (SSI). However, financial assistance, by way of debt restructuring, including fresh loans, etc., for the rehabilitation of sick SSI is provided by the primary lending institutions (PLI), including the commercial banks. For this purpose, the Reserve Bank of India (RBI) has issued guidelines to banks from time to time on detection of sickness in SSI at an early stage and taking remedial measures and for rehabilitation of sick SSI units identified as potentially viable. After the detailed guidelines of January 2002, the RBI has issued fresh guidelines on 8th September 2005, based on the "Policy Package for Stepping up Credit to Small and Medium Enterprises (SMEs) announced by the Central Government

on 10th August, 2005. These guidelines relate, *inter alia*, to viability criteria, prudential norms for restructured accounts, provision of additional finance, time frame for working out the restructuring package and its implementation, etc.

The banks have also been advised by the RBI to review the progress in rehabilitation and restructuring of SME accounts on a quarterly basis. The State Level Inter-Institutional Committee (SLIIC), set up in each State under the convenorship of the RBI representative, *inter alia*, monitors the implementation of these guidelines.
